

Get out of the booth!

Don't make everyone cram into a tiny photobooth. Your party is a big deal and you need space to express yourself! Party Studio brings the professional studio to you, allowing you to take as many pictures as you want with the space you need. We use professional cameras and lighting to make you and your friends look the best!

Party Studio allows every one of your guests to download & share pictures online the very next day. It's the best way to stay in the party mood and have people raving about your party all week!

What you get:

1. Hours of FUN at your party!
2. Professional studio setup
3. Space to jump, dance & work it
4. All pictures online the next day
5. Let guests download their pictures FREE!
6. Ability to post on Facebook and Twitter
7. Lots of crazy props
8. A disk of all the party pictures (for host)
